

# Workplace Health and Safety

## Touchless Temperature Screening Solutions

Give yourself and anyone entering your business a visible reminder you are taking all necessary precautions to protect their health and safety.

✓ **Reduce Risk**

Reduce risk of access by infected persons

✓ **More Hygienic**

More hygienic than thermometers that require physical contact

✓ **Reduce Stress**

Reduce stress and anxiety for employees and guests

✓ **Cut Costs**

Cut labor costs by not having a dedicated temperature screener
